<p>3.2. Establishment of a <b>3D printer</b> for producing artificial limbs at Puspadi Bali, a Prosthetic and Orthotic Limb Center for service to the physically handicapped.</p> <p><b>TOTAL value : USD 67.000</b></p> <p>This center is already established with the support from RCs in Bali.</p>	1Q2023	Karl Heiny Schmelzer, RC Bali Nusa Dua
<p>3.3. <b>New Cleft Lip &amp; Palate Project</b> - GG 2344148</p> <p>The primary international sponsor will be RC Carnegie-Collier of Pittsburgh who had this role before in an earlier grant. Together with their District they pledged USD 100,000. Our share, our DDF and TRF brings us to a combined total of about USD 180,000. We have a preliminary pledge from a Cologne Club and their District, with TRF match amounting to about USD 40,000. <b>We are aiming at USD 260,000 to cover 220 operations</b> and also the training of a plastic surgeon.</p> <p>We have been in talks with Bali Mandara Hospital in Sanur concerning their participation in this upcoming grant. An agreement is under preparation. Dr. Putu Trisna Utami, now in Taipei for training under GG 2096241, is the chief plastic surgeon there and will continue to operate at</p>	2Q23 – 2Q25	Karl Heiny Schmelzer, RC Bali Nusa Dua
